FAMILY GRILLED CHICKEN

The famous Family Grilled Chicken is my favourite restaurant. I will always find myself chewing clean a drumstick and licking my fingers every time I eat the grilled chicken bought from the restaurant. Secret spices are mixed and rubbed all over the chicken before it is grilled over a charcoal fire for hours. It is then served with black pepper sauce.

The Family Grilled Chicken restaurant is only open on weekends. You can find it on Tempurung Road. It's fastest to use the short-cut along Rimbun Road. The restaurant's doors are closed until 5 p.m., but some loyal customers will even start queuing up as early as 4.30 p.m. A whole fresh chicken at the food market would usually cost between RM15 and RM20, but here I can enjoy a cooked one for only RM16! It's a great deal.

As the chickens are cooked in batches and left on the grill, there is always piping hot, tender chicken to be enjoyed. For just RM5, you can add on fried rice. It's a shame that they don't do my favourite dish – mashed potato – but salad is another option if you prefer something healthier.

The owner started the stall because he loved grilled chicken. He was an engineer before becoming the successful businessman that he is now. He first learned the recipe from his uncle in 2010. He spent the following year trying out the recipe before opening his stall in 2011. He has been grilling delicious chicken and filling people's stomachs ever since!

Why I Love Horror Films

by Muhammad Amin bin Ahmad

I sometimes hate horror films, but I can't stop watching them. What is it about horror films that makes them so enjoyable?

I think we love watching horror films because it's like doing an extreme sport like bungee jumping. You do it for the excitement that comes from being terrified. I'm really not a fan of roller-coasters, so watching horror films is my way of experiencing this kind of fear and excitement. I enjoy them because they don't make me feel too anxious!

I watch most films with my brother but he doesn't like horror movies at all. Usually my sister and I watch these together because she's a lot braver. Sometimes I keep a cushion close by, just in case things get too scary!

The other day, I sat down by myself and watched a film called 'The Strangers'. It's about a family that goes on a vacation and stays in a hotel filled with ghosts. They get trapped and have to find a way to escape. It was almost as scary as 'The Visitor', which gave me nightmares! I had to stop watching 'The Strangers' at one point, and checked my phone for a while, just to calm myself down. I know some people read books and magazines but I don't find this helps.

Some scenes in horror movies are unforgettable. I once woke up in the middle of the night because I heard something ticking under my bed. I remembered a similar scene in a horror movie where something was knocking under the bed and a ghost suddenly appeared! However, it turned out to be my clock which I accidently dropped and I was scared for nothing.

The more I watch horror films, the more I enjoy them. Whenever a new one is released, I'll be the first to watch it – just not on my own!
