LAYERS OF THE RAINFOREST

Label the layers of the rainforest. Then, solve the Rainforest Riddles.

RAINFOREST RIDDLES

I love to feed on many insects and fruit. I sing and have special calls. God made me this way to survive.

I am a .

I live in the .

I prowl and hunt for prey. I can blend in to hide. God made me this way.

I am a .

I live in the .

God made me with a tail and strong arms so I can hang from very, very tall trees.

I am a .

I live in the .

It is hot and damp where I live. But, God made me just for it! My home is filled with ALL the insects I could ever eat.

I am a .

I live in the .
