No homework for six weeks or so,
Fun and laughter all day long. *(all day long)*
Don't ¹..... my friends, it's time to go.
Cheer up, join in, what's wrong?

(What's wrong?)

Chorus (x 2)

It's a summer, a summer holiday.

Come, wipe your tears, your tears away.

It's a summer, a summer holiday!

A summer holiday!

³..... books and ⁴..... a DVD,

⁵..... your friends and ⁶..... up late.

(Stay up late)

In summer, you, you are free.

Hey, isn't this just great? *(Isn't this just great?)*

Chorus (x 4)
