

Name: _____ Date: _____

Multiply and Divide by 2

Match the math vocabulary to the multiplication and division sentences by drawing a line from the square to the correct circle.

product ☐

dividend ☐

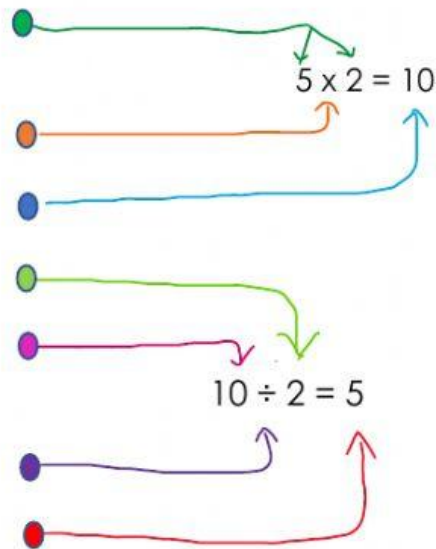

factors ☐

symbol to multiply ☐

divisor ☐

quotient ☐

symbol to divide ☐

Each shape represents a number. See if you can find the numbers that each shape represents:

Example: + = and + = 10

= 3 = 6 = 4

+ =

x = 10

	=	_____
	=	_____
	=	<u>4</u>
