

WHAT IS PEGI?

PEGI (Pan European Game Information) is a content rating system. It has five age categories:

If you are 8 years old you can play a 7 PEGI rating game but you mustn't play a 12 PEGI rating game.

1. Associate the pictures with the definitions

There are 9 content descriptors, here are 4 of them for a 12 PEGI rating game:

Contains violence in a fantasy environment

Contains games of chance

Contains bad language.

Contains scary pictures or horror sounds.
