

READING COMPREHENSION

1. Read and answer:

My name is Andy Davis. I live in a small house. In my bedroom there are toys and books, but there isn't a television. I like playing with my toys. My favourite one is Woody, a cowboy doll.

Every morning I put my toys in a box and go to school.

I usually have lunch at school with my friends. After school, I always do my homework and then I can play with my toys.

Now, I am playing with Woody. I am excited because tomorrow is my birthday and I am going to have a party. My mum is going to make a cake and my friends are going to come to my house. I love birthdays because I always get presents. This year, I want a new toy so we can play with Woody.

Yesterday was rainy, but today is sunny. Tomorrow is going to be sunny, too, so we are going to celebrate my birthday in the garden.
