Writing

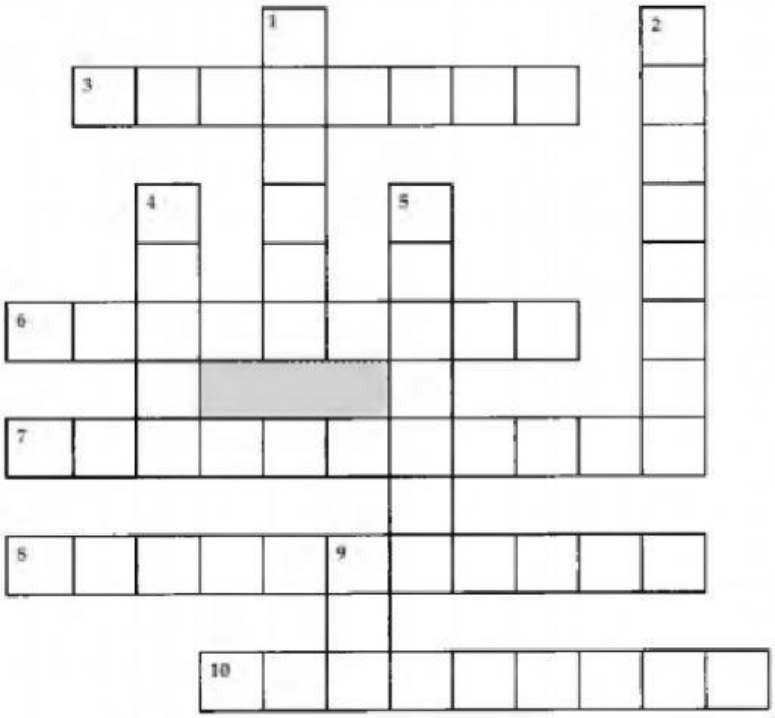

9 Circle the correct adverb of frequency.

I have a very busy week. On Monday morning I [1]*always / never* get up at six o'clock so that I can catch the train to London. I [2]*usually / occasionally* arrive at my office by nine o'clock, and then we have a meeting to plan the week's work. After that I check my emails and make some telephone calls. In the afternoon I [3]*never / always* meet my clients and I finish work at six o'clock. In the evening I [4]*sometimes / never* go to a restaurant with friends or see a film. I [5]*always / sometimes* stay in the same room at the Grand Hotel, which is very nice and also close to the office.

(5 points)
