UNIT 5: WORK AND PALY

LESSON: B1 +B2

Listen and read.

At twenty-five past nine, the bell rings and all the students go into the yard. It's time for recess. They are all happy and excited. They meet their friends and have some fun. Many are talking about the last class, or last night's movie. Some are eating and drinking as well as chatting. Some students are playing games like blindman's bluff or catch. Some boys are playing marbles and some girls are skipping rope. But the most popular activity is talking. The yard is very noisy until the bell rings. Then everyone goes indoors and classes begin again.
