

On the first page of our (1).....
The future seemed so bright
Then this thing turned out so (2).....
I don't know why I'm still surprised
Even angels have their (3)..... schemes
And you take that to new extremes
But you'll always be my hero
(4)..... you've lost your mind

Just gonna stand there and watch me burn
Well, that's alright because I like the way it hurts
Just gonna stand there and (5).....
Well, that's alright because I love the way you lie
I love the way you lie, oh
I love the way you lie

Now there's (6)..... in our voices
Glass is shattered from the fight
In this (7)....., you'll always win
Even when I'm right
'Cause you feed me fables from your head
With violent words and (8)..... threats
And it's sick that all these battles
Are what keeps me (9).....

[Chorus]

So maybe I'm a masochist
I try to run, but I don't wanna ever leave
'Til the walls are going up
In smoke with all our (10).....

[Chorus]
