## 1. Listen and read

**Clueless** Yesterday I had an urgent phone call from Lord Rich. There was a thief in his house and he wanted to see me.

**Holmes** Wow! So you're a famous detective now.

**Clueless** I hurried to Lord Rich's house. I got on the Number 6. It was the wrong bus. So I decided to walk there because it was urgent.

**Holmes** A brilliant decision, Clueless!

**Clueless** I knocked at the door. A housekeeper opened it. First he took my hat and put it on the shelf. Then he took the money from my pocket.

**Holmes** And you saw that! Well done, Clueless.

**Clueless** Next I went into the dining room with Lord Rich and we ate a delicious meal. Then we played chess and drank some tea. After that the housekeeper came and took the plates, and then he took money from Lord Rich's pocket.

**Clueless** Finally I decided to tell Lord Rich about it. I said, 'Your housekeeper is the thief.'

**Holmes** Very clever, Clueless! Was Lord Rich surprised?

**Clueless** No, he wasn't. He knew it! He shouted, 'I know! Now continue the game – I'm winning!'

**Holmes** But he wanted your help to find the thief.

**Clueless** No, he only wanted to play chess with me.
