A horizontal sequence of pineapples used as a visual aid for a mathematical addition problem. On the left, there is a group of seven pineapples. In the center, there is a large black plus sign. To the right of the plus sign is another group of five pineapples. To the right of the pineapples is a black equals sign. To the right of the equals sign is a solid blue rectangular box, which is intended to be filled in with the answer.

A horizontal math equation using banana icons. On the left, there are four yellow bananas. A large black plus sign is positioned to the right of the bananas. To the right of the plus sign are five more yellow bananas. A large blue rectangular box is on the far right, preceded by an equals sign, indicating the total value of the sum.
