

[Chorus: Adam Levine]

I'm at a payphone, trying to call home
All of my change, I spent on you
Where have the times gone? Baby, it's all wrong
Where are the plans we made for two?

[Verse 1: Adam Levine]

Yeah, I, I know it's **(1)**.....
The people we used to be
It's even harder to **(2)**.....
That you're not here next to me
You say it's too late to make it
But is it too late to try?
And in our time that you wasted
All of our **(3)**..... burned down

[Pre-Chorus: Adam Levine]

I've wasted my nights
You turned out the lights
Now I'm **(4)**.....
Still stuck in that time
When we called it "Love"
But even the sun
Sets in paradise

[Chorus: Adam Levine]

[Post-Chorus: Adam Levine]

If happy-ever-after's did exist
I would still be holding you like this
All those **(5)**..... are full of shit
One more fucking love song, I'll be sick, oh

[Verse 2: Adam Levine]

You (6)..... on tomorrow
'Cause you forgot yesterday
I gave you my love to borrow
But you just gave it away
You can't expect me to be fine
I don't expect you to care
I know I said it before
But all of our burned down

[Pre-Chorus: Adam Levine]

[Chorus: Adam Levine]

[Post-Chorus: Adam Levine & Wiz Khalifa]

[Verse 3: Wiz Khalifa]

Man, fuck that shit
I'll be out spending all this money while you're sitting 'round
(7)..... why it wasn't you who came up from nothin'
Made it from the bottom, now when you see me, I'm stuntin'
And all of my cars start with the (8).....
Telling me I changed since I blew up or whatever you call it
Switched the number to my phone so you never could call it
Don't need my name on my (9)....., you can tell that I'm
ballin'
Swish, what a shame, coulda got picked
Had a really good game, but you missed your last shot
So you talk about who you see at the top
Or what you could've saw, but sad to say it's over for
Phantom pulled up, (9)..... open doors
Wished I'd go away, got what you was looking for
Now it's me who they want
So you can go take that little piece of shit with you
