

[Verse 1]

I miss the taste of a (1)..... life  
I miss the conversation  
I'm searching for a song tonight  
I'm changing (2)..... stations  
I like to think that we had it all  
We drew a map to a better place  
But on that road, I took a fall  
Oh, baby, why did you (3).....?

[Pre-Chorus]

I was there for you  
In your darkest times  
I was there for you  
In your darkest night

[Chorus]

But I wonder, where were you?  
When I was at my worst  
Down on my knees  
And you said you had my back  
So I wonder, where were you?  
When all the roads you took (4).....  
So I'm following the map that leads to you

[Post-Chorus]

The map that leads to you  
Ain't nothing I can do  
The map that leads to you  
Following, following, following to you  
The map that leads to you  
Ain't nothing I can do  
The map that leads to you

Following, following, following

[Verse 2]

I hear your voice in my sleep at night

Hard to resist **(5)**.....

'Cause something strange has come over me

Now, I can't get over you

No, I just can't get over you, ooh

[Pre-Chorus]
