End of term 1 examinations

Comprehension

Name: _____

Read the information below and then answer the questions.

One hot summer day, Jan and Mark asked their mummy to make lemonade. These are the ingredients she used:

Ingredients:

Four lemons
or limes

Sugar

Water

Ice

This is how she made it:

1 <i>Cut each lemon and squeeze the juice into a glass.</i> 	2 <i>Fill the jug with water and add some sugar to it.</i> 	3 <i>Stir the sugar until it dissolves.</i> 
4 <i>Strain the lemon juice from the glass into the sugar water.</i> 	5 <i>Taste to see if it is sweet enough.</i> 	6 <i>Put blocks of ice into each glass and then pour in the lemonade. Drink and enjoy!</i> 

Select TRUE or FALSE after each statement.

1. Mummy is making orange juice. _____
2. Limes can be used to make lemonade. _____
3. A spoon is an ingredient. _____
4. The knife was used for cutting the lemons. _____
5. Put these steps in the correct order.

add some sugar

strain lemon juice

cut the lemons
