CLICK PARA INSTRUCCIONES

The animals were worried, and went to discuss this with the lion.

He used to kill about 2-3 animals every day for his meal.

Once upon a time, in a jungle far away, there lived a lion.

The lion jumps into the pond, mistaking his own reflection for the other lion and dies.

The lion asks the rabbit, to meet the said lion. The rabbit takes him to the pond and points to it saying that was where the other lion lived.

He agreed not to kill any other animal if one of them voluntarily comes to him everyday.

Moral:

Wisdom Wins Might

This went on for long. One day, it was a rabbit's turn.

He goes to the lion and tells him that there is another lion who claims to be stronger than him.

As he was on his way, he sees an old pond and hatches a plan to kill the lion.
