

Connect the words and the pictures

basement / car park / diamond / facilities / glass / gold /
ground floor / jewellery / lake / pearl / skyscraper / wonderful view

areas or buildings for a particular purpose (= цель):

for example – Sport are stadiums, gyms, health spas, boxing arenas, swimming pools etc.

Look at the pictures from the video. What words from task 1 can you use to talk about these pictures?

Watch the video:

Choose the correct option. Sometimes more than one answer is possible.

- 1) The Almas Tower is the tallest business tower / hotel / shopping centre in the Middle East.
- 2) The Almas Tower is in the sea / on an island / in a lake.
- 3) The Almas Tower is one large tower / two towers joined together / four towers joined together.
- 4) The outside of the Almas Tower is metal / glass / plastic.
- 5) Dubai's pearl / gold / diamond exchange is in the Almas Tower.
- 6) Harley Davidson / Toyota / Ford has its head office in the building.
- 7) The Almas Tower has offices / restaurants / hairdressers.
- 8) At the top of the tower there is a car park / viewing area / five-star restaurant.

Watch the video again. What do the numbers refer to?

- | | |
|----------|----------------------------------|
| a) 360 | Harley Davidson offices |
| b) 68 | number of skyscrapers |
| c) 66 | number of spaces in the car park |
| d) 48 | metres tall |
| e) 1,700 | floors |

Your office is going to receive some English-speaking visitors. You are going to take them to a famous or unusual building in your town/city. Think about and prepare notes on ...

- why the building is important (age, purpose, etc.)
- where the building is located
- what is inside the building (facilities, offices, etc.)
- why it is interesting to visitors
- how to get to the building
