THE NEWSPAPER

Are you a good classmate?

In my school, being a good classmate is really important. Our principal and all of our teachers think that being a good classmate is exactly what our school needs to create a supportive environment to grow and learn. There are three main pillars to be a good classmate.

First, a good classmate is respectful. To be a good classmate you should be respectful of students, teachers, and

other people who work at the school. This means that you shouldn't destroy things at school and you should never draw graffiti on school walls.

Second, follow the school rules. Every society has rules, and these rules are important to maintain a good coexistence. So, you shouldn't break the rules. Following the rules is important for the well-being of everybody at school. Finally, a good classmate shows good

character. This means that you should be kind, honest and trustworthy, but also you shouldn't allow bullies to attack your classmates or let unfair situations happen.

To be a good classmate means to be a good citizen, and that is what our country needs. Let's do it for our country!
