

Name:

Complete the chart.

insects reptiles camouflaged unusual chameleon mammals lemur habitats

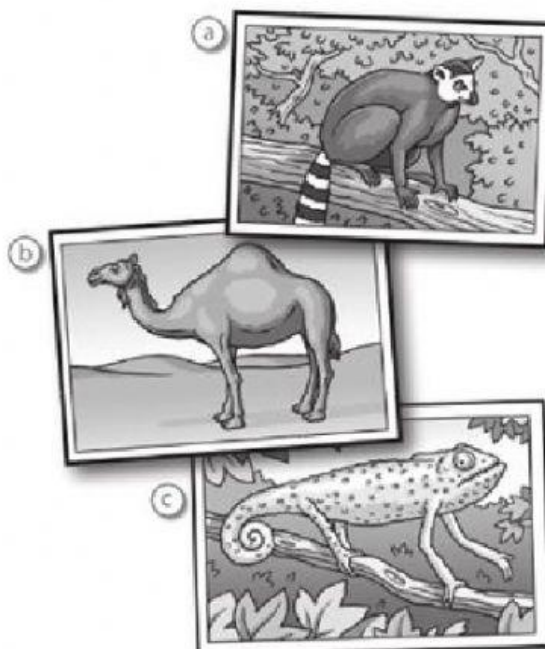

1 <i>mammals</i>	3	5	6	adjectives
bear	lizard	ant	rainforest	amazing
camel	snake	butterfly	desert	7
2	4	ladybug	mountains	8

Connect the notes and animals.

1 It's a big mammal. It lives in a *desert* habitat.

2 It's a well-camouflaged reptile. It *eats* insects.

3 It's an unusual mammal. It lives in a *rainforest* habitat.

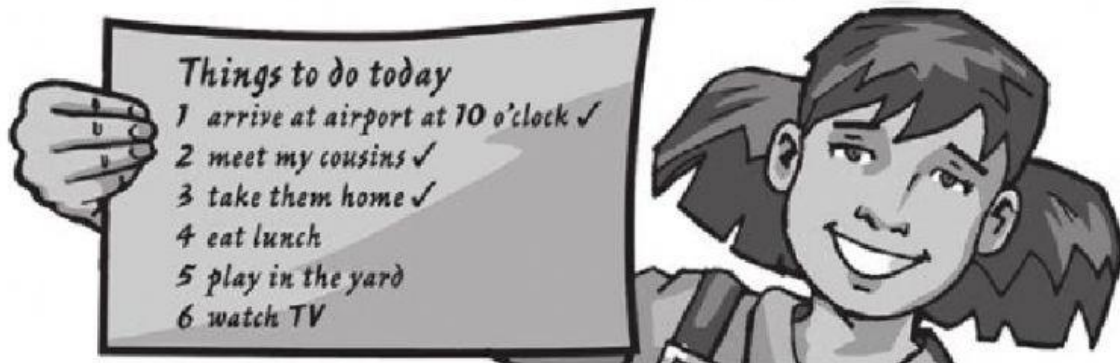

Complete the postcard.

cloudy eaten Dear old Wish haven't already going to

1 Dear Mom,
We're having a great time in Paris. It's a beautiful,
2 city, but it's a little bit
3 cloudy today.
We've 4 eaten delicious meals in lots
of restaurants and we've seen a play at the theater
5 old. We 6 haven't been to the
museum yet. We're 7 going to go there tomorrow.
8 Wish you were here.
Mary

Look and write sentences about Sally using *already* and *yet*.

- 1 She has already arrived at the airport
- 2 _____
- 3 _____
- 4 She hasn't eaten lunch yet
- 5 _____
