Reading:

Read the text below. Then, choose the correct letter (A, or B) answer.

My name is Sally. In my family we don't eat red meat and we never have sausage or ham, but we eat fish and chicken. Salmon is my favorite fish, but I also like tuna. We also eat a lot of vegetables, like broccoli and tomatoes and we eat dairy products. At the moment we have some milk, yogurt and cheese in our fridge.

We usually eat at home, but sometimes we eat in a restaurant. We often go to an Italian restaurant near our house because we all like pasta and pizza. Sometimes we go to a vegetarian restaurant. There's a very good vegetarian restaurant in the town square. I always have bananas and broccoli with rice there. It's delicious!

My friends eat a lot of meat. My friend Matt has sausage and eggs for breakfast every day! I usually have orange juice and yogurt. Matt has chicken or ham and cheese pizza for lunch; I usually have tuna or salmon with salad. For dinner Matt often has a burger and fries; I have fruit and yogurt, or vegetables with rice. Matt doesn't have a very good diet. I often say to him, "Matt, you must eat better food!"
