

Watch the episode and fill out the gaps

1. He started it in.....
2. The festival when I was growing up was quite.....
3. We want to *incentivize* people to leave less.....
4. It's been ahuge job.
5. We are asking people to use less.....items like wet wipes.
6. We are really asking people from the very first stage to beandof what they are packing.
7. We all want to live and to love, and have great lives and to feel.....and feel happy.
