

COMIC #7. RADIANT JAYERA

Jayera is a young woman who has been working to level the playing field for those in her neighborhood who could use support in hard financial times. From fundraising for Free Wash Day to holding pop-up “pay what you can” shops, her community service is a benchmark of humanitarianism in her town.

In **RADIANT JAYERA**, Jayera sees a young boy in a dirty shirt being bullied, but using her super powers, she sees that he can go on to have a wonderful future. More kids approach her, sharing their dreams – Jayera tells them they can be whatever they want since they all have the potential!
