

## SUBJECT PRONOUNS

Subject pronouns (I, you, we, etc.) are necessary to describe what different people do and avoid repetition. Instead of saying *Mike did this, Mike went here, Mike found this*, we eventually switch from *Mike* to *he*.

I = Je	We = Nous
You (informal) = Tu	You all; You (formal) = Vous
he = il she = elle	They (masculine) = ils they (feminine) = elles

You have already seen these pronouns in phrases like: "Comment t'appelles-tu?" and "Je m'appelle \_\_\_\_\_."

**Assignment:** On a separate sheet of paper, write down which subject pronoun you would use for each of the following people or groups in French.

1. Françoise
2. I
3. Robert and me
4. Leila
5. Carl and Jacques
6. You (to a friend)
7. You (to a police officer)
8. We (group of girls)
9. Catherine and Marie-Anne
10. You all (to your family members)
