My mum is 41 years old. She is very nice. My mum is small and slim. She has got blue eyes and short hair. Her favourite clothes are skirts, ... and ..... . Her favourite colours are green and ..... . Her favourite food is salad and all kinds of ..... . Her favourite pet is ..... . She loves ..... in the forest, but she hates skiing. Her hobbies are ..... and cooking. She can cook very well. She works in a hospital. She is a doctor and she goes to work by car. She sometimes gets angry with me because I'm a little bit messy.

I love my mum because she's the best in the world.
