

Permission to dance(BTS)

It's the thought of being young
When your heart's just like a
Beating louder with no way to guard it
When it all seems like it's wrong
Just sing along to Elton John
And to that feeling, we're just getting
When the nights get colder
And the rhythms got you falling behind
Just dream about that
When you look yourself right in the eye, eye, eye
Then you say

I wanna dance, the music's got me going
Ain't nothing that can stop how we move, yeah
Let's break our plans and live just like we're
And roll in like we're dancing fools
We don't need to worry
'Cause when we fall, we know how to land
Don't need to talk the talk, just walk the walk
'Cause we don't need permission to dance
There's always something that's standing in the way
But if you don't let it faze ya, you'll know just how to
Just keep the right vibe, yeah, 'cause there's no looking back
There ain't no one to prove, we don't got this on lock, yeah
The wait is over
The time is now, so let's do it right
