IELTS Speaking Part 1

Question:

Tell me about your hometown.

Sample answer

Well, I come from Hanoi and I have lived here all my life. If I had to describe Hanoi, the first thing I would say is that it's absolutely enormous, maybe even one of the biggest cities in South East Asia I guess. It's so big in fact that even the locals have problems finding their way around. Another significant characteristic is that it offers examples of both classical and contemporary architecture. You can easily see the modern and the ancient appear everywhere in Hanoi.
