PRETTY BOY

-M2M-

I lie awake at night
See **things in (1).....**
I've only got you inside my mind
You know you have made me blind

I lie awake and pray
That you will **(2) .....**
I have all this longing in my heart
I knew it right **(3) .....**
Chorus:

Oh my pretty pretty boy ***(4).....***
Like I never ever loved ***no one before you***
Pretty pretty boy of mine
Just tell me you love me too
Oh my pretty pretty boy ***(5).....***
Oh my pretty pretty boy I do
Let me inside
Make me stay right (6).....
I used to write your name
And put it in a frame
And sometimes I think I **hear you call**
Right from (**7**).....
You stay a little while
And touch me with **(8) .....**
And what can I say to make you mine
To reach out for **you in time**

Chorus:

Oh my pretty boy
Say you love me too

look my way,

from the start,

black and white,

my bedroom wall,

I love you,

beside you,

your smile

I miss you
