PART 3 SAMPLE TEST HA5

Listen to the audio and complete the extracts below.

To be successful, we need to make sure the bags are really good quality and look (1) ..... We don't need a lot of money to start the business, because we'll make the bags at home. We plan to sell Ragbags at (2) ....., in local shops and also online. We'll have a website with lots of beautiful photos, where people can choose their (3) .....and colours and then order their wonderful bag. And the best thing about the company is that you will have an amazing bag, made from your own favourite (4) ..... material. Each bag will be unique, one of a kind, and we'll have fun making them too. It's a (5) .....
