Name:_____

Date:_____

Final mark:_____

Mary Sutton. Capacitacion en idiomas

Pre_FCE. Final Listening exam

1- Listen to a conversation about weekend leisure activities in Britain and choose the correct answers:

1 In what way does Jenny compare weekends in Britain to weekends elsewhere?

- A She says shopping is as popular as it is in other places.
- B She says British families get together as they do elsewhere.
- C She says most people don't work just like in other countries.
- D She says shopping patterns in Britain are the same as in other places.

2 Which of the following is true about shops in Britain on Sundays nowadays?

- A Many of them are closed.
- B They aren't open for as long as they are on Saturday.
- C Fewer people shop on Sundays than on Saturdays.
- D Only big shopping malls are open.

3 According to Jenny's statistics, which of the following is the most popular leisure activity in Britain?

- A doing sports like football
- B using digital media
- C hobbies like gardening and DIY
- D watching programmes on television

4 What surprises Tom about the information Jenny gives him?

- A He didn't think football was as important as it is to British people.
- B He is surprised people watch so much TV when there are other, newer technologies.
- C He didn't expect cooking and gardening to be so popular.
- D He thought other sports than football would be of greater importance.

5 Which of the following points about football does Tom make?

- A He says he thinks a lot of people take part in football.
- B He says it's easier than learning to swim.
- C He says it's for people of all ages.
- D He says football stadiums are always crowded.

Mark: ___ / 5

2- Now, listen again and answer true or false. Support the false sentences.
