Exercise 6. Read the passage below and choose the letter A, B, C, or D to indicate the correct answer to each question.

A chore is a routine task or job that is often done around the home. Many people find chores unpleasant or boring and are reluctant to do them. However, when chores are divided between many people they can be accomplished much faster. Parents often assign chores to their children so that they can learn new skills and become more independent. Sometimes, children are given an allowance or 'pocket money' if they complete all their household chores. Moreover, when all family members work together on household chores, it creates a positive atmosphere for the family and sets a good example for the children.

6. Who should do chores?

A. Mother B. Father

C. Children D. All members in the family

7. How do many people feel about chores?

A. Chores are relaxing B. Chores are not interesting

C. Chores are not hard work D. Chores are pleasant

8. What do children sometimes get when they complete all their chores?

A. some money B. a pocket C. a toy D. a gift

9. Why do parents assign chores to their children?

A. Because parents want their children to become more independent.

B. Because parents want their children to learn new skills.

C. Both A & B

LIVEWORKSHEETS

D. Neither A nor B

10. What does the word 'routine' mean?

A. usual B. ordinary C. repeated D. All of them

Exercise 8. Read the following passage and mark the letter A, B, C, or D to indicate the correct word or phrase that best fits each of the numbered blanks.

People all over the world listen to classical music. This type of music has stayed with people for a long time. Bach wrote classical music about 300 years ago, Beethoven wrote about 200 years ago, and Tchaikovsky wrote over 100 years ago. Some other famous classical composers were Vivaldi, Haydn, and Mozart.

In classical music, composers did not show strong emotion. They waned to make a beautiful, interesting design and write lovely sounds. In their music, they also told stories about love, wars and religions. Sometimes they composed music for holidays.

Classical music is difficult to describe. It means different things to different people. People often close their eyes when listening to classical music, because when they close their eyes, they can see the design. Sometimes, it is difficult to understand classical music. The listeners have to listen and imagine about it. However, we can listen to the same pieces of classical music many times and we can all learn to enjoy this beautiful music.

16. Classical music is popular _____.

A. in the Western B. in Europe C. in the United States D. all over the world

17. The first classical composers wanted to _____.

A. tell stories about religion B. write lovely sounds

C. show strong emotion D. B and C are correct

18. What kind of stories did some composers NOT tell in their music?

LIVEWORKSHEETS
