My name is Theo and I live in a village in the North of France. There's a sports centre near my home, so I do lots of sports. There are tennis courts, a skate park and there's also a swimming pool. I played tennis with my friends yesterday but I didn't win the match. The village has also got a cinema and a café with wi-fi. That's good for me because I love using my tablet. In August, there's a music festival with pop groups for young people and jazz bands for our parents and grandparents. There's a lot to do in my village. I love it.
