Exercise 2. Art Project

Organizing an Art Project

You are an artist!! Let's make a piece of art out of trash! We all are aware of the problem of pollution and garbage we are facing **nowadays**. Some artists from around the world have created amazing pieces of art using **trash**. The artists' objective is to promote social change either by creating works of art or by performing.

Your work of art may take some time so it will be presented as a final project.

Look at the Project: "Bottle Cap Fish Art".

Match the steps with the pictures

Step 1. To make the fish you need a milk cap and a triangle shape.

Step 2. To make the scales used Glitter Glue

Step 3. To make the bubbles, used a paper straw in white paint and then pressed it onto your paper

Step 4. You can add more detail to your scene with little strips of green tissue paper and glue them.
