On Friday, the family ate breakfast in the garden because it was very sunny but Paul didn't want any. Then they all went to the beach again. The sea was very blue. Paul looked. There were three dolphins in the water! He ran to the sea and swam to them. Then Paul's dad threw a ball in the sea and the dolphins played with it. It was great and Paul stopped thinking about the sharks in the film. That evening, all the family went to the cinema again. This time the film was about a funny dolphin and they all enjoyed it.
