

Correct the underlined mistakes.

Dear Mark,

I ¹ hope you are doing quite well. Last week, I am ² in Tunisia **and** I attended an exciting event. In this email, I am going tell ³ you about it.

The International Festival of the Sahara is held every year in Douz, Tunisia for three days starting for ⁴ December 20th. Local people **as well as** tourists from neighbouring countries, the Arabian Gulf, **and** Europe attend this unike ⁵ event **because** they want to enjoy the exciting nomadic live ⁶ at the heart of the Desert.

There are plenty of activities that I have personally enjoyed. **First of all**, there are diferent ⁷ events involving desert animals. **For example**, you can see the camel marathon, the horse race **and both** the Saluki dog, **and** the falcon hunt. It is the one ⁸ time that I see an Arabian horse, **but** I fell in love with it **because** it is beautiful, strong, and quick. **Second**, you can attend a Bedouin marriage **and** pamper all you're ⁹ senses. Your eyes will love the decoration of tents, the colourful costumes, **and** the beautifull ¹⁰ henna patterns on women's hands. Your mouth will water with the delicious local food and drinks. Your ears will enjoy the tradition ¹¹ music created by the drums and bagpipes. Your nose will **also** breathe the fresh air and smell the fragrance of incense. **Third**, there is ¹² different competitions throughout the day. **For instance**, in the camel beauty contest, people vote for the beautiful she-camel. During the poetry contest, Bedouin poets recite there ¹³ poems **and** the audience decides which one is the good ¹⁴. **In addition**, people from different tribes compete in the jar dance **and** the winner is the person how ¹⁵ dances with the most jars on their heads. **Last but not least**, I personally liked experiencing the true Bedouin life for my self ¹⁶. This includes sleeping in a tent, feeding a camel, riding a horse, wearing a turban **and** touching a falcon.

We felt really satisfied and energised during our visit to tunisia ¹⁷ last week, **so** my family and I are planning to attend this festival again next year ¹⁸. We hope you come with we ¹⁹ **because** you will never regret it.

Love ²⁰
Nizar
