DOCTORS WITHOUT BORDERS

Listen and fill in the blank with the correct word

When we are sick or hurt, we go to the doctor. Some places in the world do not have enough doctors or (1) _____to help people. This is really true when there is a crisis in that place.
A group called Doctors Without Borders works to help people in need. If there is an (2) _____, these doctors volunteer to go where they are needed. The group gives medical care and other services. Doctors Without Borders has been helping people since 1971.

Bringing Help Where It Is Needed

The doctors bring their (3) _____ skills to places where they are needed. They also bring supplies like blankets and drinking water. Sometimes the doctors train other people so they can help, too. Doctors Without Borders has worked in countries all over the world. If there is a war in a country, the people there need help. (4)_____ are people who have to leave their homes. They leave because there is no food or because fighting has made their homes unsafe.
Doctors Without Borders can (5)_____ to help refugees. Sometimes, refugees do not even have clean water. The volunteers come with water and medicine. They teach refugees how to eat better and stay (6)_____. They can show refugees how to make water safe for drinking.
