Written Composition
Descriptive Writing

Descriptive writing is a mode of writing that includes lots of details. When you write, be sure to use your senses. Descriptive writing is all about what you see, hear, smell, feel, and taste. ***Remember that all sentences begin with a capital letter and ends with an end mark.***

Instructions: Write 6 sentences that tell about your favorite food. You can only write about ONE food. ***Tell how it looks, smells, feels, and tastes. Also tell why you like it.***
