

The Jonas Brothers

"Like it's Christmas"

Listen and fill in the gaps. Use the words in the box.

There's snow on the, love in the air, sleighare ringin'
This is what it's all about, the fire is warm, the angels are singin'

And I don't wanna miss a single thing
Don't wanna put an end to all this
But as long as you're with me
It's always that time of the year

(chorus)

You make every day feel like it's Christmas, never wanna stop
Feelin' like the first thing on your, right up at the top
I can't deny what I'm feelin' inside
Nothin' about the way you bring me to life
You make every day feel like it's Christmas
Every day that I'm with you

Look at the, twinklin' bright twenty-four/seven
Every inch of Central Park is covered in white,
this could be

And I don't wanna miss a single thing
Don't wanna put an to all this cheer
But as long as you're with me
It's always that time of the year, yeah (Woo)

bells
Christmas
cheer
deny
end
fake
ground
heart
lights

(chorus)

Woo, woo, woo, yeah (Every day that I'm with you)
Every day, every night (Oh, oh, all day)

(chorus)

I can't what I'm feelin' inside
No matter the reason, no matter the
Mywill keep beatin', you better believe
You make every day feel like it's
Every day that I'm with you
