

## What if you lost all your hearing ability?

How did you lose your hearing? What happened?

(Use vocabulary in your sentences: amplitude, decibels, ear parts, etc.)

---

---

How would your life be different...

...at home with family?

---

...when you go out shopping alone?

---

...about education?

---

...with friends?

---

**70** million deaf people. **200+** sign languages.

**Unlimited** potential.
