Lisa My favourite place is Brighton. It's a small city – it's smaller than London – but there are a lot of exciting places for young people. A lot of students live in the city. It's very friendly. There's a nice beach, too, and it's only five minutes on foot from the city centre.

Bob Glasgow, in Scotland, is my favourite place. Edinburgh is prettier than Glasgow, and it's more popular with tourists, but I think Glasgow is more interesting. There are some fantastic modern buildings in Glasgow. There aren't any beaches, but there are some nice parks.

Karen Cardiff is my favourite city. It's the capital city of Wales. There's a beautiful castle in the city centre. Parts of the castle are more than 800

years old! Cardiff is a great place for music – some great bands come from Cardiff. There are a lot of good theatres there, too.
