ESL REVIEW

Part 2

Reading

My name is Ron. I'm 13 years old and my birthday is on January 14th. I've got a big family, my parents, two brothers and a sister. I also have lots of cousins. I really love sports and quidditch is my favorite!

Yesterday was my birthday. What a fun day! I jumped out of bed because I was excited. Mum had cooked for me a special pancake breakfast. When I was little, I didn't like pancakes, but I love them now! Mum let me have lots of sugar on my pancakes because it was a special day.

After breakfast, my parents gave me a birthday present. It was a new magic wand! I had lots of fun practicing my magic spells with it. I can't wait to take it to school!

In the afternoon, I had a huge birthday party. My whole class came, and three of my cousins! They brought so many gifts. I got a new broom, a scarf and some new books. We played football in my garden.

My mum baked an amazing chocolate cake for me. It was so delicious! I was quite sad when the party ended, I didn't want my friends to go home.
