Cities to Visit

A Kadia

This busy city has developed beside the main river which divides the central commercial district into two parts. Although you will find the main offices of many international companies, you can still ride on a water taxi and visit the side streets which sell colourful locally-made clothes and crafts.

C Noien

This is a cultural centre with 33 museums and galleries, many attached to colleges and universities. It is not a historical city but it contains some interesting buildings, including the Post Office, which has a silver roof. It has noisy markets selling everything from antiques to plants.

E Haristor

This famous city has been on the same site for over a thousand years. Old and new exist together and there isn't the fast pace of most cities. The streets are wide and well-kept with plenty of trees. Search carefully and you will find some outdoor markets and food stalls in this peaceful environment.

G Foforon

There are plenty of tours to take from the city and visitors can go to mountains, farms and villages. This small city has changed little over time and its streets and markets are still crowded and noisy.

B Drummore

This is one of the world's cleanest and most modern cities. There are lots of top-class hotels offering a range of international dishes. It is sunny all year round. Traffic is not a problem on the roads in and around the city, but travel is limited outside the main city area as it is mainly desert.

D Polatika

The streets of this city are full both day and night. It is built on a river and the best way to see it is on a tourist boat which passes the beautiful old buildings. The city is starting to grow and has just opened its first department stores.

F Lotten

This is a regional centre for trade and tourism and is completely 'up-to-date'. People who live in this city come from many different parts of the world and so there is an excellent choice of restaurants. There is a wonderful transport system, and modern department stores.

H Quinter

There is a lot of modern painting and sculpture in this relatively new city where many nationalities have come together. The galleries are well hidden though, and not easy to get to by public transport. This is mainly used for getting people in and out of the business centre, where there are many office blocks.

PART 2

Questions 6–10

- The people below all want to go for a walk.
- On the opposite page there are descriptions of eight walks.
- Decide which walk (letters **A–H**) would be the most suitable for the following people (numbers **6–10**).
- For each of these numbers mark the correct letter on your answer sheet.

6

David enjoys walking but he has injured his knee and cannot climb up hills. He would like to spend a couple of hours on a quiet walk with well-marked paths.

7

Luigi likes to get as much exercise as possible and particularly likes climbing steep hills to get a good view. He wants to do a walk that is difficult and offers a range of scenery.

8

Yannis has two sons of 8 and 10. He would like to take them to see some animals in the countryside. He wants to be able to buy some refreshments.

9

Amanda has had an operation and needs plenty of fresh air to help her recover. She wants to find a short, quiet walk with a beautiful place to visit on the route.

10

Claudia's grandparents are staying with her. They are very fit and enjoy walking. They would like to visit some of the local villages and need a clearly-marked route so they don't lose their way.

WALKS FOR EVERYONE

A MILL LANE

You'll see lots of animals on this walk, because there is nothing to disturb them. Walkers often say they meet no-one. There are places where you can join or finish the walk but these are not well signposted and it is easy to get lost.

C CUTTERS WAY

This walk can take anything from 30 minutes to two hours. It's not a good walk for hill-lovers as the ground is completely flat, but it has good signposts and simple facilities for the hungry or thirsty walker. A few places or things to see would improve this walk, which can be a little dull.

E HURDLES

This is a route for the experienced walker. It crosses two rivers and includes hills of up to 500 metres, from which you can see the sea. There are several rocky paths that are unsuitable for children or older people and there are no shops so take plenty of water.

G OVERHILL

This sounds like a difficult walk but it's really easy, although it could be better signposted. If you're a local person, you're almost certain to meet someone you know on the walk. It's a couple of kilometres outside the village of Overhill, with fields full of rabbits!

B SEA PATH

This walk starts at the village of Nye Flats and the excellent signposts lead you through local streets, fields and pretty neighbouring villages. Although it will take you half a day, there are no hills at all. You can breathe the sea air and enjoy watching traditional life in busy villages.

D PADDOCK WAY

This is really a short track across a working farm. There are plenty of chickens and sheep to see, and the farmer has turned some of the buildings into an educational centre with a café. Not a walk for those who like peace and quiet, but good fun.

F NEVERLAND

This is a walk to take if you have a whole day to spare and want to escape from other people. It follows a narrow track which is clearly marked and has different routes for different types of walker. There are hills to climb but views are limited because of thick forest.

H GOLD-DIGGERS END

You won't find any gold on this peaceful walk, but you will find plenty of other things to see including a lovely garden which is open to the public. It's a half-hour walk with a couple of small cafés on the way.
