One of my favorite stories is from Vietnam. It's about two sisters, Tắm and Cám. The two sisters are very different. Tắm works hard every day helping to cook and clean the house. She always thinks about other people and tries to help her

family. Cám is very different to Tấm. She never does any chores and she doesn't share anything. Cám does lots of bad things to Tấm. It's not a nice story, but in the end, Tấm's life is very good. I like this story because after such a hard life she is happy.

2. What is Cam like?
