VARIOUS TYPES OF VIDEO GAMES

1) Match the type of video game to its description :

It's a game in which the player **fights*** opponents and often **uses** martial arts. **fight = combattre*

This is a game that **simulates** sports. The opposing team is controlled by other players or artificial intelligence.

In this game, the player **controls** one or more virtual characters* (human or not). The players **manipulate** the character's genetics or their ecosystem. **characters = personnages*

In this game, the player **controls** the actions of a character immersed in a defined world.

It is a game in which the player **uses*** weapons and **shoots** enemies or opposing players. **use = utiliser*

In this game, the player usually **has** to use military strategy and tactics. This game **is** often based on a map.

It **is** a computer version of a board game*. Chess, checkers and backgammon **have** their computer versions. **board game = jeu de société*

This game **challenges** the player's sense of rhythm. This sort of game typically **focuses*** on dance or on the simulated performance of musical instruments. **focus = se concentre*

In this game, you **navigate** in a maze* and **try** to escape monsters. **maze = labyrinthe*

In this game, the character **runs**, **jumps**, **climbs** between suspended platforms and **avoids*** obstacles. **avoid = éviter*

A role-playing game

A maze game

A wargame

A life simulation game

A fighting game

A platform game

A rhythm game

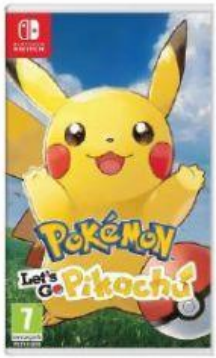

A shooting game

A board game

A sports game

2) Find the genre behind each video game:

wargame role-playing game maze game fighting game life simulation game
platform game sports game rhythm game shooting game board game

1) Think about it:

a) Relis les phrases ci-dessous:

- In this game, the character **runs**, **jumps**, **climbs** between suspended platforms
- The players **manipulate** the character's genetics or their ecosystem.
- The player **uses** weapons and **shoots** enemies
- You **navigate** in a maze* and **try** to escape monsters

b) A quel temps sont conjugués les verbes (en gras)? .....

c) Souviens-toi, c'est un temps facile à conjuguer !

Le verbe reste identique à la base verbale pour toutes les personnes sauf à la 3ème personne du singulier (he/she) où le verbe prend un « ..... ».

Exemple :

I run	**We run**
You run	**You run**
He / She / It runs	**They run**

d) A toi de conjuguer le verbe entre parenthèses au présent simple:

1) In shooting games, players ..... weapons. (USE)
2) The player ..... the actions of the character thanks to a controller. (CONTROL)
3) My dad never ..... video games, he hates them! (PLAY)
4) In this type of game, you ..... to kill as many opponents as you can. (TRY)
5) I ..... going to Micromania to buy new video games. (LOVE)
6) Mario ..... faster than Luigi. (RUN)

e) Cherche la traduction de ces phrases dans l'exercice 1 :

1) Le joueur contrôle un ou plusieurs personnages virtuels.

↳.....
