The tertiary sector

The tertiary sector is the part of the economy that involves the services.

Tourism : The tourism is the most important job in the world. The tourism have 5 parts.

1. *Cultural tourism is the most important*
2. *Rural tourism*
3. *Beach tourism*
4. *Adventure tourism*
5. *Ecological tourism*

Transport: we use the transport to go to a place to another. Land transport, air transport and water transport.

Media and communications: Provided us with newspapers, radio, TV and the internet.

In recent years we don´t use the internet because we didn´t have phones or I pads.

Trade services: Is the buying and selling.

Domestic trade: Is the buying and selling in one country

Foreign trade: Is the buying and selling to a country into another. Imports are the buying of other countries exports is when you sell to another country.
