Last Christmas

Last Christmas, I gave you my heart
But the very next day, Youit away gave save
This year, to save me from spears tears
I'll give it to someone special

Once bitten and twice shy
I keep my distance but you still catch my eye guy
Tell me baby do you recognise? me him
Well it's been a year, it surprise me didn't doesn't

(Happy Christmas!) I wrapped it up and sent it
With a note saying "I Love You" I meant spent
Now I know what a fool I've seen been
But if you kissed me I know you'd fool me again now fall

Chorus

Last Christmas, I gave you my heart
But the very next day, Youit away gave save
This year, to save me from spears tears
I'll give it to someone special

(Oooh. Oooh Baby)

A crowded room, friends with eyes tired fired
I'm hiding from you and your soul of mice ice
My God I thought you were to rely on anyone someone
Me? I guess I was a to cry on shoulder colder
A face on a lover with a in his heart fire desire/
A man undercover but you tore me apart

Oooh Oooh

Now I've found a real you'll never fool me again glove love

Last Christmas, I gave you my heart
But the very next day, Youit away gave save
This year, to save me from spears tears
I'll give it to someone special
