My name is Jane. I live in a nice village in the north-east of London. My best friends, Sally and Paula, live there too, but I live on Church Street and they live on Town Square. We're very happy here.

There aren't so many places as in London, of course, but we've got lots to do. There's a big community centre where you can do a lot of activities. My mother does yoga twice a week, my brother plays tennis with his friends. My friends and I have
