

1. Listen to the song and fill in the gaps

A little time

by The Beautiful South

I need a little time to think it over
I need a little space just on my own
I need a little time to find my freedom
I need a little
Funny how quick the milk turns sour, _____ (x2)?
Your face has been looking like that for hours, _____ (x2)?
Promises, promises turn to dust
Wedding bells just turn to rust
Trust into mistrust
I need a little room to find myself
I need a little space to work it out
I need a little room all alone
I need a little
You need a little room for your big head, _____ (x2)?
You need a little space for a thousand beds, _____ (x2)?
Lips that promise, fear the worst
Tongue so sharp, the bubble burst
Just into unjust
I've had a little time to find the truth
Now I've had a little room to check what's wrong
I've had a little time, and I still love you
I've had a little
You had a little time and you had a little fun, _____ (x2)?
While you had yours, do you think I had none, _____ (x2)?
The freedom that you wanted bad
Is yours for good, I hope you're glad
Sad into unsad
I had a little time to think it over
Had a little room to work it out
I found a little courage to call it off
I've had a little time
I've had a little time
I've had a little time
I've had a little time

2. When someone asks these type of questions, the person:

- a. Is genuinely curious about the answer
- b. Already knows the answer and is looking for confirmation

3. These questions come:

- a. In the end of the sentence
- b. In the middle of the sentence

3. What can you guess about your classmate's preferences? Write down some tag questions using the comparatives that follow
