"Oh my God wow. I've been coming to England and playing shows for eight years and this is **my first BRIT Award**, I'm so . I wanna thank Virgin EMI and Universal for sticking with me for eight years. Honestly I know I wouldn't be up here if it wasn't for one of my friends who took me to pubs and taught me how to make a good cup of and taught me

I know about the UK . I just want to say I love you Ed Sheeran, wherever you are. And I also want to thank my other British friends, Cara and Ellie and Sam, I'm very lucky to have you in my life. I'm very lucky to have British who have changed my life, I love you! And I'm very lucky to have my first BRIT Award, thank you so .” (**Best Taylor Swift Moments of 2015**)
