C/ Listen, choose one word from the box to fill in each blank.

hurricanes

rain

emergency

typhoons

mudslides

winds

In Japan we sometimes have

. Typhoons can

cause flooding and

because of heavy rains and very

strong winds. They can destroy

roads, houses, and trees. It is

important to be prepared for

this kind of

summer
rain

spring
floods

snowstorms
rainstorms

We have many in
Bangladesh. In the , the
snow on the mountains melts.
We also have lots of
in my country. Our rivers often
fill with too much water. The
floods destroy towns and crops.
