SUMMER VACATION

Sample essay:

Let me tell you about my great summer Vacation!
This summer, I went to the mountains with my family. We stayed there for three days. It was amazing!
During the day, we went hiking and saw many wild animals. We also went fishing and caught some fish. In the evening, we cooked food outdoors. I helped my father roast hot dogs. They were delicious! At night, we slept in a tent. I saw many beautiful stars in the sky.
It was the best summer Vacation ever!
