

ABOUT

MYSELF

Things I don't
understand or
that I find hard

Some things I
don't understand
or are unclear,
but can keep
working

Things I learnt
and understand
clearly

ABOUT THE COURSE

Things I didn't
enjoy or I would
completely
change

Things I enjoyed
a bit but I would
suggest a change
or a new option

Things that were
super and
wouldn't change
at all!
